Read the directions and then look at the map and fill in the five missing words. Then answer the questions below.

6. When you are at Kyoto station, how many different kinds of transport can you choose? What are they?
7. How many choices have you got from Imadegawa station?
8. Without looking back at the website, use the map above to write out instructions for getting from Kansai International Airport to RIMS in Kitashirakawa. These words may be useful - (take, catch, straight ahead, on the left, at, then, next).
