RULES: Take it in turns. Throw the dice and move forward around the board. The first player to reach the end is the winner.

1. If you land on a **heart**, ask any player a question – (Did you use to ...?)
2. If you land on a **spade**, tell us about something you used to do when you were younger. (I used to go ice-skating every day.)
3. If you land on a **club**, tell us about something you used to do, but don't do now. (I used to ride a bike, but now I drive a car.)
4. If you land on a **diamond**, tell us about something you do now, but you didn't use to do. (Now I go to night clubs, but I didn't use to.)
5. If you land on a square with a person in it, make a sentence about that person or their activity.
6. You cannot use information that has been used before.
