Plan a 10 day driving holiday in Australia with a friend. You will start in Sydney (New South Wales), drive to Cairns (Queensland) and fly back. What will you see? Where will you stay?

You need to decide:

1. what time of year you will go
2. how many kilometres you'll travel each day
3. where you'll stop for sightseeing or for breaks
4. where you'll stop for meals
5. where you'll stay overnight

Write a brief daily diary and expand 5 entries to talk about some of these issues:

- terrible food (where did you have it? What was it? What was wrong with it?)
- friendly local people (Where did you meet them? What did you talk about?)
- a great meal (Where? What?)
- a flat tyre (How did it inconvenience you? Who fixed it?)
- some of the great sights you saw (What did you like about them?)
- the weather (Too hot? Too cold? Too wet? Perfect?)
- your accommodation (Clean? Dirty? Uncomfortable? Lovely? Good service?)
- plans for the next day

Use these websites to help you. Look at the links on the various pages to find information about accommodation and other things.
