1. Look at the list of jobs above. Sort them into these categories:

| Professional general | Professional office | Professional helping | Skilled | Semi-skilled | Unskilled |
|----------------------|---------------------|----------------------|---------|--------------|-----------|
|                      |                     |                      |         |              |           |

- Which jobs pay the most money?
- Choose one job and tell the rest of the group what a person with this job does.
- Which jobs are most interesting?
- If you could experience three different jobs for a month each, which ones would you choose?
- If you had to do one for the rest of your life, which one would you like to do? Why?
- Which are the three worst jobs? Why?
- Tell us about an interesting job you have had. Or tell us about an interesting job a friend or relative has had.
